SINGLE MEMBER DISTRICTS

Option 1: All Districts
- **City Council: 9 members** - All elected in districts. At least 2 majority Asian and Latino.
- **School Committee: 6 members** - 3 School Committee districts. Each elects 2 members. At least 1 district would be majority Asian and Latino.

MIXED DISTRICTS AND AT-LARGE

Option 2a: 8 Districts and 1 At-Large (Citywide)
- **City Council: 9 members** - 8 districts and 1 elected at-large. At least 2 majority Asian and Latino.
- **School Committee: 6 members** - 4 districts and 2 elected at large. At least 1 majority Asian and Latino.

Option 2b: 8 Districts and 3 At-Large
- **City Council: 11 members** - 8 districts and 3 elected at-large. At least 2 districts majority Asian/Latino.
- **School Comm: 6 members** - 4 districts and 2 elected at large. At least 1 majority Asian and Latino.

Option 2c: 7 Districts and 2 At-Large
- **City Council: 9 members** - 7 districts and 2 elected at-large. At least 2 majority Asian and Latino.
- **School Committee: 7 members** - All elected in districts. The mayor would no longer serve on the School Committee.

RANKED CHOICE VOTING

Option 3: Ranked Choice Voting - All At-Large
- All candidates for City Council and School Committee elected at-large
- Voters rank candidates in order of preference, e.g., 1, 2, 3, 4, etc.

Option 4: Ranked Choice Voting - 3 Large Multi-Winner Districts
- 3 large districts would be created.
- Voters in each district would elect 3 candidates for City Council and 2 candidates for School Committee
- Voters rank candidates in order of preference, e.g., 1, 2, 3, 4, etc.
