

# Conducting a Voter Registration Drive in Oregon

## Voter Registration Deadline

Postmarked 21 days before Election Day

Applications collected as part of a registration drive must be forwarded to a county clerk or the Secretary of State within five days of receiving them.

### Getting Started

**Training Requirement:** Oregon does not require training for registration drives.

**Notification and Registration Requirements:** Oregon does not have notification requirements for registration drives. If an organization requests more than 5,000 voter registration applications, it must develop and abide by a distribution plan to be included on the request form as well as provide written assurances that unused cards will be returned to the Secretary of State.

**Compensation Restrictions:** Do not pay registration drive participants based on how many registrations they collect. Do not offer an applicant any incentive of monetary value to register to vote.

### Obtaining Applications

**State Form:** Submitted requests for fewer than 500 voter registration cards to the appropriate county elections office: [sos.oregon.gov/elections/Pages/countyofficials.aspx](https://sos.oregon.gov/elections/Pages/countyofficials.aspx)

Requests for 500 or more voter registration cards must be directed to the Secretary of State: [sos.oregon.gov/elections/Pages/request-voter-registration-cards.aspx](https://sos.oregon.gov/elections/Pages/request-voter-registration-cards.aspx)

**Federal Form:** The federal mail-in voter registration application may be used in voter registration drives: [eac.gov/voters/national-mail-voter-registration-form/](https://eac.gov/voters/national-mail-voter-registration-form/)

**Photocopying Blank Forms:** Any person may apply in writing to the Secretary of State for permission to print, copy, or otherwise prepare and distribute registration cards.

If a registration drive requests more than 5,000 applications, it must provide a distribution plan and include it on the request form as well as provide written assurances that unused cards will be returned to the Secretary of State.

### Handling Applications

**Incomplete Applications:** Individuals who are helping others to register through registration drives may not fill in incomplete information or make any changes to an application.

**Photocopying Completed Applications:** You may photocopy completed applications but the signature must be redacted. Check with county election officials regarding guidance for copying. As a best practice, a voter's full or partial Social Security number and/or driver's license number should not be retained and some county officials indicate it is not permitted.

**Submitting Completed Applications:** All registration applications collected as part of a voter registration drive must be forwarded to a county clerk or the Secretary of State **within five days of receiving the card.**
